CREDENTIALS

Specialty expertise in Adult, Geriatric, Consultation-Liaison and Addiction Psychiatry. Clinical interests also include physician health and the integration of spiritual interventions into the practice of psychiatry.

Successfully founded technology startup, invented and oversaw development of unique healthcare Internet/telephony automated communications system for quality indicator monitoring, clinical assessment and performance improvement.

Skilled in clinical assessment, supervision, consultation, accreditation, information systems, clinical service leadership and administration.

Recognized for work on contemporary mental health delivery and quality management systems.

Recognized for contributions to the field of Spirituality and Healthcare.

Respected for the ability to find creative solutions to difficult clinical problems and to implement new paradigms.

EDUCATION

Undergraduate

American Academy of Addiction Psychiatry, 11/15 - Present

American Association of Geriatric Psychiatry, 2002 - 2002

Pharmacy Committee, St. Joseph Hospital, 4/2004 - 12/12

Ethics Committee, St. Joseph Hospital, 4/2006 - 12/12

Medical Executive Committee, St. Joseph Hospital, 2006 - 12/12

Chair, Steering Committee, Metro North Recovery Consortium, 10/93 - 3/94

Massachusetts Hospital Association, Committee on Alcohol and Substance Abuse Treatment, 10/91-1/95

American Society of Addiction Medicine, 1991-1997

American College of Physician Executives, 1991-1997.

American Board of Quality Assurance and Utilization Review Physicians, 1995-1997.

American Medical Informatics Association, 7/96 - 2004.

Advisory Board Member, The Practice Sentry, 1996 - 1997.

Physician Advisory Board Member, One Health Plan, 1997 - 2004.

Chair, AdvantaCare Board of Directors, 1998 - 2004.

VOLUNTEER WORK

Member, Board of Directors, Middle House men’s sober living residence, San Luis Obispo, CA, 2016-present.

Senior Psychiatric Consultant, Transitions Mental Health Association, San Luis Obispo, CA, 2016-present.

PROFESSIONAL EXPERIENCE**07/01/1989 – Present Michael D. McGee, M.D.****Private Practice (WellMind with Dr. McGee)**

Provide psychiatric treatment to adults. Specialty focus on Addiction Psychiatry, psychosomatic medicine, geriatric psychiatry, and general adult psychiatry.

11/01/2017 – Present The Haven at Pismo

621 E. Grand Ave., Arroyo Grande, CA 93420

T: 805-202-3440

Supervisor: Ari Hirt

CEO

T: 310-502-6991

Fax: 805-980-5689

Email: ari@thehaven.com**Chief Medical Officer**

Oversee medical and psychiatric care for patients suffering from addictions and other psychiatric illnesses. Provide psychiatric and addictions treatment.

01/04/2016 – Present Atascadero State Hospital

10333 El Camino Real, Atascadero, CA 93422

T: 805-468-2000

Supervisor: Veronica Quezada, M.D.

Assistant Medical Director

T: 805-468-3267

Fax: 805-468-2138

Email: vquezada@ash.dsh.ca.gov**Staff Psychiatrist**

Provide psychiatric treatment to men in the California State Correctional System who need intensive inpatient treatment.

06/2015 – 12/30/15 Locum Tenens.com

2655 Northwinds Parkway, Alpharetta, GA 30009

T: 800-562-8663 F: 404-751-5441

Supervisor: Thomas Hickey

CEO

T: 781-829-7000

Fax: 781-829-7263

Email: Thomas.hickey@uhsinc.com**Inpatient Psychiatrist, Pembroke Hospital, Pembroke, MA**

Provided inpatient psychiatric treatment to adults and older adolescents.

11/2014 – 06/2015 Tufts Health

100 Station Ave, Fourth Floor, Medford, MA 02155

T: 617-651-5680 F: 617-923-5610

Supervisor: Barrie Baker, M.D.,

Chief Medical Officer

T: 215-669-2106

Fax: None

Email: jbiabaker@outlook.com**Corporate Medical Director for Behavioral Health**

Oversaw all Behavioral Health functions for commercial, Medicare, and Medicaid products insuring approximately 750,000 covered lives. Responsibilities included Government Affairs, Quality improvement, training, provider network development, policy and procedure development, program development, intensive care management, and utilization management. Developed innovative and comprehensive, multicomponent disease management program for severely ill "trimorbid" members with addictions, psychiatric illness, and medical illness.

07/2013 – 11/2014**CRC Health Group (formerly Habit OPCO)**

11 Circle Ave, Lynn, MA 01905

T: 781-595-2413 F: 781-598-0210

Supervisor: Christopher Lukonis, M.D.

Chief Medical Officer

T: 617-943-0411

F: 802-223-2235

Email: clukonis@yahoo.com**Medical Director**

Provided medical leadership and clinical services for three medication-assisted treatment centers for opioid dependence in Lynn, Fitchburg and Yarmouth, MA.

08/2013 – 11/2014

Lahey Danvers Pain Clinic

480 Maple St., Danvers, MA 01923

T: 978-304-8601 F: 978-304-8621

Supervisor: Dr. Kenneth Branton, M.D.

Medical Director

T: 978-304-8601

F: 978-304-8621

Psychiatrist, Pain Clinic

Provided psychiatric services to pain patients in the clinic. Also provided addiction treatment services to bariatric patients with compulsive eating disorders.

01/2013 – 06/2013

St. Elizabeth's Medical Center

736 Cambridge St., Brighton, MA 02135

T: 617-789-2138 F: 617-789-3338

Supervisor: Chitra Malur, M.D.

Chief of Psychiatry

T: 617-789-2138

F: 617-789-3338

Medical Director, Inpatient Geropsychiatry

Provided medical leadership for program development and clinical services for the Department of Psychiatry. Supervised psychiatric residents. Oversaw delivery of geropsychiatric services on inpatient geropsychiatric unit.

04/2002 – 12/2012**St. Joseph Hospital**

172 Kinsley St., Nashua, NH 03060

T: 603-882-3000x63854 F: 603-578-5039

Supervisor: Pamela Duchene

Vice President, Nursing

T: 978-799-1993

F: 781-306-6779 Email: pducheneWhallmarkhealth.org

Medical Director, Psychiatric Services**Chief of Psychiatry**

Provided medical leadership for program development and clinical services for the Department of Psychiatry. Supervised social workers, nurse practitioners, psychiatrists and other clinicians. Oversaw delivery of psychiatric services in multiple settings, including emergency room, consultation-liaison on medical floors, inpatient geropsychiatry, long term care and outpatient. Established inpatient Consultation Liaison program. Established nursing home consultation services. Started quarterly memory screening program. Instituted "Lunch and Learn" series for education of Primary Care Physician groups. Established outpatient electroconvulsive therapy program. Created department Performance Improvement program and chaired Performance Improvement Committee. Initiated outpatient geropsychiatry clinic and neurobehavioral clinic. Launched the "Schwartz Rounds" for promoting compassionate care and provider wellness. Helped to co-found "Maximizing Wellness" program for employees. Taught psychiatric nurse practitioners as part of faculty of psychiatric nurse practitioner training program at Rivier College, Nashua, NH.

11/1994 – 01/2004**Inflexxion**

320 Needham St., Suite 100, Newton, MA 02464

T: 617-332-6028 F: 617-332-1820

Co-Principle Investigator/Consultant

Collaborated with Simon Budman, Ph.D. and Steven Butler, Ph.D. on a NIDA-funded SBIR grant to develop the ASAT (Addictions Severity Assessment Tool). This is the first practical and sound self-report outcomes assessment tool for addictions treatment. It measures impairment severity in 7 dimensions: daily functioning, relational functioning, dysphoric emotions, change readiness, dependence severity, recovery skills, and life meaning. Also served as "Ask the Expert" for addictions and life stress web site content.

8/1989 – 12/2002**AdvantaCare, Inc. (Sold to LifeOptions)**

Danvers, MA

Founder, Chairman and President

Oversaw development and market introduction of easy and affordable healthcare technologies. Provide consultative services for developing and implementing clinical treatment, Managed Care, Utilization Management, Quality Improvement and Information Management systems. Company sold to Life Options, LLC.

- Recognized nationally for achievements in developing state-of-the-art Behavioral health Performance measurement and office management systems.
- Launched "PsychOffice", a Behavioral Health practice management system for individual providers and group practices. Modules now include clinical records, correspondence, billing and scheduling.
- Designed, developed and introduced to the commercial market "AdvantAssess", an automated Internet/telephony/fax scanning system for measuring, monitoring and analyzing patient status and treatment.

10/1994 – 7/1997**Merit Behavioral Care** (No longer in operation)

Burlington MA

Area Medical Director, Massachusetts

Provided psychiatric utilization management, care management, network management and managed health care systems development for carve-out HMO product covering almost 700,000 lives.

- Designed and implemented the first Statewide network of modular psychiatric and addictions treatment services (Targeted Services Paradigm) consisting of Supportive Residential, Intensive Biomedical, Intensive Psychosocial, Low Intensity Psychosocial, Crisis Evaluation and Crisis Stabilization services. Providers flexibly combine these services to meet patient's clinical and acute social/support needs. This model has resulted in an up to 40% reduction in costs/treatment episode while actually improving clinical outcomes.
- Conceived and coordinated implementation of Care Management protocols including provider performance standards, review-by-exception methodologies and Critical Path (Care Path) technologies for structuring and streamlining Care management reviews.
- Conceived and spearheaded implementation of statewide provider performance management system consisting of measures of clinical outcomes, patient satisfaction, utilization and service standards compliance for profiling and report card functions.
- Hired and supervised utilization management physicians. Coordinated Care Manager training. Implemented and coordinated Grand Rounds. Initiated and managed ongoing statewide Provider Leadership meetings for our network.

10/1994 – 10/1995**Solomon Mental Health Center**

391 Varnum Ave., Lowell MA 01854

T: 978-322-5000 F: 978-322-5077

Psychiatrist in Chief

Held responsibility for Medical and Psychiatric Services, Mental Health Systems Development, and Medical Staff Quality Improvement for a Community Mental Health center with an annual budget of \$8M, 20 Physicians, and Inpatient, Emergency, Outpatient and Case Management services. Chaired Utilization Management Committee, Medical Staff Committee, and Professional Staff Committee.

- Spearheaded introduction of Registered Nurse Clinical Specialists and Consulting Psychologists to maintain services in response to a 10% cut in physician services budget.
- Guided development of Utilization Management functions and introduced concept of Critical Pathways technology for UM, treatment planning and documentation. Spearheaded implementation of performance management system including outcomes assessment system.
- Developed cost-effective prescribing guidelines and implemented UM prescribing protocols with Medical Staff.
- Developed Laboratory Utilization guidelines with Medical Staff
- Developed Benzodiazepine Prescribing guidelines with Medical Staff
- Founded and chaired Community Emergency Services Committee.

10/1991 – 10/1994**New England Memorial Hospital** (No longer in operation)

Stoneham, MA 02180

Director, Addiction Treatment Services

Responsible for the development, implementation, and direction of inpatient, day/evening treatment, and outpatient Addictions Treatment Services. Supervised as many as 25 people with an operating budget of \$1.5 million.

- Designed, planned and implemented a multifaceted strategic approach to numerous compliance issues that, left unaddressed, would have demonstrated non-compliance with JCAHO accreditation criteria. Instead, our task force made programmatic changes, revised policies and procedures, and executed other initiatives, resulting in a nearly perfect JCAHO review and accreditation.
- Developed and implemented a state-of-the-art data base for monitoring quality improvement activities, tracking treatment and outcomes, monitoring patient satisfaction, and analyzing outcomes by patient demographics and clinical variables.
- Successfully established a consortium of local mental health care and social service providers to improve the services given to the addicted population. The *Metro North Recovery Consortium* worked to improve the exchange of information, training and consultation among its members and to improve patient access to a spectrum of treatment and social service resources.
- Initiated and chaired a task force for the Massachusetts Hospital Association Committee on Substance Abuse to respond to the increasing demand by insurance companies and others for data to measure outcomes in addictions treatment. Developed a nine-dimension, thirty-six item outcome questionnaire for statewide use by addiction treatment providers.
- Reversed a trend of diminishing patient volumes in our service by successfully obtaining several major insurance contracts.
- Established a contemporary model for addictions treatment services by redesigning the service to create an integrated treatment system which encompassed all levels of care. This provided one treatment experience throughout the entire continuum of intensities and phases of treatment for each patient. Implementation culminated in our near-perfect review by JCAHO and a model for emulation by other service providers.
- Devised and implemented an Addictions Treatment Services physician model which created integrated clinical teams with physician leadership and supervision. This resulted in marked improvements in the harmony of the teams, in the continuity of care, and in the sense of physician belonging. It increased physician accountability, commitment and involvement, effectively ending long-standing dissatisfaction with the private attending model.

7/1989 – 10/1991**Addison Gilbert Hospital**

298 Washington St., Gloucester, MA 01930

T: 978-283-4000 F: 978-921-7048

Associate Medical Director, Inpatient Psychiatry

Was responsible for clinical supervision, program development and quality improvement activities.

- Researched, designed and implemented the first quality assurance program for the inpatient psychiatric unit. Working collaboratively with the director, the nurse manager and other staff, developed a discharge checklist, monitored results and made necessary program improvements.
- Established and ran the successful Century Clinic for geriatric psychiatric patients. We gathered geriatric and neuro-psych screening tools, recruited staff and set up a model where an initial evaluation and screening would be done by a nurse, followed by a review, reevaluation and treatment by myself.

- Built alliances between the psychiatry and medical staffs by enthusiastically initiating my personal involvement on the emergency room committee and regular attendance at medical staff meetings which reversed years of alienation between the groups and led to more efficient, effective hospital operations.

7/1989 – 10/1991

Lahey Behavioral Health at Addison Gilbert Hospital

(Formerly Cape Ann Mental Health Center)

298 Washington St., Gloucester, MA 01930

T: 978-283-0296 F: 978-283-2665

Staff Psychiatrist

Provided treatment and clinical supervision for multi-disciplinary teams.
